LIFE CRUSHED OUT BY SWITCH ENGINE

Shocking Fate of Young Arthur Anderson in Depot Grounds.

RUN DOWN BY LOCOMOTIVE.

Serious Mishap of K. Possert on O. S. L. Tracks at Harrisville—Ogden Banks Declare Dividends.

Ogden, Oct. 4.—The life of Arthur Anderson, a sixteen-year-old youth, was crushed out beneath the wheels of a switch engine at the foot of Twenty-seventh street, about 4 o'clock yesterday afternoon. He and another boy were in the depot yards during the afternoon. He had told his mother he was going to Pocatello, Idaho, to work, and it is supposed was in the depot grounds waiting an opportunity to get out of the city with some of the railroad men. He was walking along between the rails of the main track of the Union Pacific from the east when the Overland Limited was seen coming towards him, and he stepped to one side to let the train pass when a switch engine came along and struck him. He was knocked beneath the engine, which passed over him, severing his body and terribly mangleing the same. Death must have resulted instantly. The engine crew quickly stopped the locomotive and went to his assistance, but he was dead. The police department and sheriff's office were notified and a number of officers went to the scene. Sheriff Sebring impounded a coroner's jury, who viewed the remains as they lay on the track. His father, Fred Anderson, proprietor of the Atlas saloon, and his mother, who lives at 229 West Twenty-first street, were notified, and had the body taken to Larkin & Son's undertaking parlors, to be prepared for burial.

Deceased was born in Denmark Oct. 17, 1890, but has lived here a greater part of his life. He had been working at the Banner canning factory until Monday, when he quit of his own volition and decided he wanted to go away. His mother pleaded with him to stay at home, but having a desire to see the world, he started out only a few hours before he met his death.

The funeral services will be held Friday afternoon at 2 o'clock at the Third ward meetinghouse. His remains may be viewed on the date of funeral, between 10 a. m. and 1 p. m., at Larkin & Son's undertaking parlors. Interment will take place in the Ogden City cemetery.

HIT BY LOCOMOTIVE.

K. Possert Seriously Injured on O. S. L. Tracks at Harrisville.

Ogden, Oct. 4.—K. Possert is now at the Ogden hospital receiving attention for a broken arm and scalp wound. He and a companion started out to walk to Garland, Boxelder county to find employment. They had gone as far north as Harrisville when the Oregon Short Line train came along. Possert and his companion heard the approaching train and stepped to the side of the track, but as there was water along the track Possert did not get far enough away and the engine struck him, knocking him quite a distance. His companion rushed to his assistance and finding him so seriously injured he sent for Justice of the Peace Lowder, who notified Sheriff Sebring and he had the injured man brought to the hospital for treatment. The scalp was badly torn and his right arm broken.

BANKS DECLARE DIVIDENDS.
Ogden Financial Institutions in Splendid Condition.

Ogden, Oct. 4.—At a meeting of the directors of the Phlegree National bank held yesterday afternoon it was decided to pay another dividend of 2 percent on the capital, which amounts to \$3,500 also to place \$1,000 more in the surplus fund, which makes the third dividend of a similar amount declared already this year or a payment of \$10,000 to the stockholders in nine months' time.

The First National bank and the Ogden Savings bank directors also held a meeting yesterday afternoon and declared a dividend of 3 percent on the National Bank stock and 2 percent on the savings bank stocks. The showing of these two banks is unusually good.

Head Ache Sometimes?

If so, it will interest you to know that it can be stopped with Dr. Miles' Anti-Pain Pills; and without any bad after-effects, and this without danger of forming a drug habit or having your stomach disarranged. They positively contain no opium, morphine, cocaine, chloral, ether or chloroform in any form. Dr. Miles' Anti-Pain Pills relieve pain, and leave only a sense of relief. The reason for this is explained by the fact that headache comes from tired, irritable, turbulent, over-taxed brain nerves. Anti-Pain Pills soothe and strengthen these nerves, thus removing the cause. They are harmless when taken as directed.

"We use Dr. Miles' Anti-Pain Pills for the cure of headache, and we think that there is nothing that will equal them. They will cure the severest spell of nervous or sick headache in a very few minutes. I am of a nervous temperament, and occasionally have spells when my nerves seem to be completely exhausted, and I tremble so I can scarcely contain myself. At these times I always take the Anti-Pain Pills, and they quiet the right away. It is remarkable what a soothing effect they have upon the nerves."

PERILOUS ADVENTURE.

Three Nimrods Have the Time of Their Lives on Utah Lake.

Special Correspondence.

Provo, Oct. 4.—Three American Fork men, N. M. Ambrose, Oliver Sjosted, and Arthur Dickerson, came near losing their lives on Utah lake in the heavy storm yesterday. They had been on the lake in a gasoline launch, hunting ducks since Sunday, and yesterday morning they started for home on the return trip. When they were at the mouth of the Provo river the storm struck them, and they anchored the boat, expecting to be able to weather the gale, but the boat was filled with water, and they were compelled to pull anchor, all bedding, guns, provisions and everything else loose was washed overboard and from 11 to 2 o'clock the men hung onto the boat. Then to save their lives they left the craft, which is now floating somewhere in the lake, and swam and waded about a mile to the Provo lake resort. Mr. Dickerson was so exhausted that his companions had to carry him part of the way. They found no one at the resort but entered Millage Jacques' house and made themselves as comfortable as possible, first telephoning to Sheriff Harmon and telling him of their condition and that they had taken possession of the house. Sheriff H. Harmon took some dry clothing to the men, and informed Mr. Jacques, who is in Provo, that his home had been invaded by the shipwrecked sportsmen. They remained at Mr. Jacques' last night and this morning left for American Fork.

As a result, Medical Superintendent Calver was authorized to purchase 100 new beds, advertise for bids for new machinery for the laundry, and obtain an estimate of the cost of repainting the old building. After the meeting the governor met with President Irvine and a committee from the Commercial club, and had an informal talk on the question of permitting seining in Utah lake for carp and suckers, as was done last winter. The committee will present a formal petition, and information in regard to the conditions of the lake and the fish in support of the petition to the governor and Fish and Game Warden Sharp in the near future and hope the privilege of seining for common fish will again be granted.

In the presence of a large number of friends. Immediately after the ceremony the happy couple were driven to the union depot, where they took the O. S. L. train for a honeymoon trip to the northwest. On the way to the depot four of their friends rode on the same carriage, two in front and two behind, blowing trumpets all the way to the train. At the depot they were showered with rice and assailed with old shoes, while their Pullman berth bore the legend "Just married" and "If you'll be good you'll be happy," and what was intended to be a quiet, decorous wedding, turned out to be a most hilarious one.
